All twelve years together -- that is ! And believe it or not -- they are still good pals. They make a very good looking section of our nineteen. They hold their share of honors and they have done their share of mischief -- so -- we are proud of these, our SIX ROSALIANS.

The highlight of the Sophomore year was initiation of the new Freshman on Friday, September 12. After a day of torture issued by the Sophomores, a party was given in the evening, honoring the Freshmen.

At the annual High School Carnival the class operated the Cake Walk, Roulette and Mouse Game booths.

The class lead the school scholastically throughout the year, besides their wide participation on many school activities.

Rena Karlson entered Rosalia from North Central Spokane and two students dropped: Harry Delay and Clinton McGuire.

Hip' Hip' Hurrah' The pep Rally started the Frosh high school social career. Their dummy was the best dummy in Rosalia's record and the bonfire was the hottest! Initiation was pretty messy said the victims but it was counteracted by an enjoyable party with the Sophomores as hosts. The annual Christmas tree had some new decorations on it for a change. All in all the class of '51 are beginning what looks like an enviable high school record.

## EASTERN DIVISION CHAMPS

The 1948 Rosalia Hi hoop squad smashed ahead to an undefeated conference season to lead the eastern division and was the only undefeated team in Whitman County in conference play. Three members of the first five, Bob Schmidt, Dick Wyer, and Allen Mattausch, graduated with the 1948 class leaving only Dave Widman and Larry McBride as experienced players for the 1949 basketball season. The second five, however, has several players who will develop into first class hoop men with an additional year of experience. Elmer Jeske, who substituted at center, for Mattausch, is a first class player and Junior Kjack, though small in size, is a fast breaking guard. These prospects plus the smooth playing of Joel Porter, and Bill Tupling and the returning Letterman, McBride and Widman look like another successful season is in store for the Rosalia High team in 1949.

Fred Brannan, himself a college star, is the coach of this fine basketball squad.

Eugene Prince and Alfred Tanner were team managers.

As the annual goes to press some two weeks before the baseball season is to start it appears that we will have a better team than last year.

The team members that graduate this year will be Bob Schmidt and Allen Mattausch. We hope to have an even better team next year.

The editor, Marian Peterschick, was associate editor of '47, and was moved up into the head spot for both semesters of '48.

Second semester members of the group were Leila James and Helen Hames.

## *Last Will and Testament*

KNOW ALL MEN BY THESE PRESENTS: That we, the Rosalia Seniors, are going to graduate and wish to appoint our adviser, Mrs. Marsh, as executrix of this our last will and testament, to distribute to those deserving, our wonderful talents and abilities.

We direct that our memories be forever kept sacred.

ALLEN MATTAUSCH gives unto Arnold Dickinson, his great ability, that of much and frequent speech.

To the whole Frosh class, CORINNE WATERMAN, gives her saucy replies and answers.

MARIAN WIDMAN leaves to Pat Lee, her unusual ability, that of singing clever songs.

DICK WYER bequeaths to Melvin Hofmann, his perfect physique.

FROY THOM AND JOYCE GIRSBERGER, leave only their love to keep the school warm.

BOB SCHMIDT leaves many happy memories to a certain Junior girl.

GLORIA WEITMAN bequeaths her 'Way' with the men to Janyce Ogden.

TED MANTZ leaves his nice disposition to Vaughn Murphy, a needy Junior.

ELAINE PETERS and ELAINE DANIELSON give their ability of getting into traffic problems and hot water, respectively, to Gwelda who has the brains to get out of such.

JIM RASMUSSEN appears to need all he possesses and more too, he asks for donations. . .

KATHIEFF ROELLICH leaves her sturdiness to Eleanor Raasch, who packs a wallop too. . .

LEILA JAMES leaves Yvonne Allert a 'Clear Field'.

JESSIE HODGEN and BILLIE HILL leave part of their friendship to Helen Hames and Elsie Jean Parker.

EUGENE PRINCE leaves his ability to strut to any Banty rooster who comes to school.

MARGARET EASTON leaves her drawing ability to James who doesn't need it anyway.

In addition to the Junior Class's headaches, MARIAN PETERSCHICK gladly wills her share.

Each member of the class wills in addition a case of aspirin and a nicely padded cell to the teachers to spend the rest of their days in peace and quiet.

We, the whole class, hope the recipients of the above named articles, will preserve them forever and one day, and also hope that some how the rest of the school may struggle through the years without the Class of '48.

# CLASS PROPHECY

Recorded in the pages of Time will be the fates of these 19 Seniors, neither you nor they may change it and I will not. However, because of the wonderful spirit of this class, I will for the first time, open the Book of Life and you may see their future. **The Book is open to the year 1958....**

Two of the members, LeRoy and Joyce Thom (Joyce G.) have a tenth story apartment in New York. LeRoy works as a news boy for the New York Times, while Joyce stays home with their third set of triplets.

Rev. Bishop Allen Raymond 'Gatby' Matlausch of Kokomo, Ind. is a far cry from the strong silent (tough) man we remember and **is now a speaker of unusual eloquence.**

Miss Gloria Weitman, mayor of Thornton, has issued an ultimatum declaring **Rossia must be abolished.**

Elaine Danielson is now married to one of her former shorthand teachers. **We can't remember his name, however.**

Eugene Prince is now a famous tonsorial artist which is an example of his resourcefulness, 10 years ago the Senior girls gave him 1 razor blade and with much practice he is now head of a barber shop in Wenatchee.

Elaine Peters is the highest paid assistant to John L. Lewis, **she is the woman behind the man.**

Ted Mantz is an extremely popular swoon crooner over NCB **(That's Never Come Back).**

Kathleen Roellich has become head nurse at Sacred Heart and is a confirmed old maid. She attends many meetings and speaks **often on the rights of women.**

Margaret Easton is the most efficient scrub woman in the **Medical-Dental Building in Spokane.**

Richard Wyer, Esquire, is now a teacher of modern ballet. His graceful rendition of the 'Dance of Spring' shows rare **artistry.**

Miss Billie Hill, Phd. is now teaching Man History (rare) at **Stanford University.**

Marian Widman is head veterinarian for the General Mill's **research farm.**

Jessie Hodgen is an influential congresswoman from the state **of California.**

Jim Rasmussen and Corinne Waterman are still unreconciled and are now happily arguing except when they discuss the farm **situation or Communism.**

Messrs. Roberto Schmudtring A.A. (for grades) has a hair **raising salon in Hollywood.**

Marian Peterschick is now Senior Manager at the wealthy Bank **of Plaza.**

Leila James our one and only member with but a single mind (whisper) it still isn't made up.

And so we come to the end of the page, do not doubt, question, or try to change these destinies, because I am FATE, **I have spoken!**
